## Fashion jewelry for a good cause

**Charity auction of the  
Lore Linnerz Collection  
Catalogue numbers 757 to 900**

We are delighted to offer you 144 marvelous pieces from the estate of Cologne collector and benefactor Lore Linnerz. The proceeds will go to the Cologne Grammar School and Foundation Fund.

Look forward to exceptional costume jewellery from renowned brands and designers. More than 30 items are designed by Kenneth Jay Lane, a great name in the industry. For almost 60 years, he adorned fashion icons such as Jackie Kennedy Onassis, Elizabeth Taylor and Audrey Hepburn with his opulent pieces of jewelry.

Colored rhinestones, enamel, base to precious metals - the wide range of materials used meant there were no limits to the imaginative creations of the manufacturers. It is therefore not surprising that major fashion houses such as Dior, Escada, Givenchy and Versace also created their own lines of costume jewelry.

Clear Art Deco forms are juxtaposed with abstract compositions. The figurative works are particularly attractive - let yourself be inspired by the colorful motifs of flora and fauna!

You can find all objects here
